General Conference Notes:

- Each day we will give out door prizes so please bring something unique to your area as a door prize to contribute.
- We have over 20 vendors joining us at the event and they will have tables set up to share their products. Please take the time to visit with our sponsors.
- The hotel is located right on Wrightsville beach just steps away from the sand & the ocean. There are beach chairs at the hotel by the pool and restaurant but bring your own chair if you plan to sit on the beach.
- The weather at the beach this time of year can be unpredictable. We suggest you wear layers and have a light jacket for in the conference room and/or outside on the beach.
- Currently there are night activities scheduled for Sunday night and Tuesday night. You are not required to come to any of them but you are encouraged to join us if you are available.
- There are several places to eat in walking distance & via the hotel shuttle. There is also a restaurant on site with a fairly comprehensive menu.
- Our nighttime activities are casual as we will be sitting inside and outside at various times throughout the event. Typically a jacket is needed in the evening.
